

Where Do I Start Help Document

NOTE: This document is meant to help new collaborating investigators and first time lead authors find the necessary resources to begin their work.

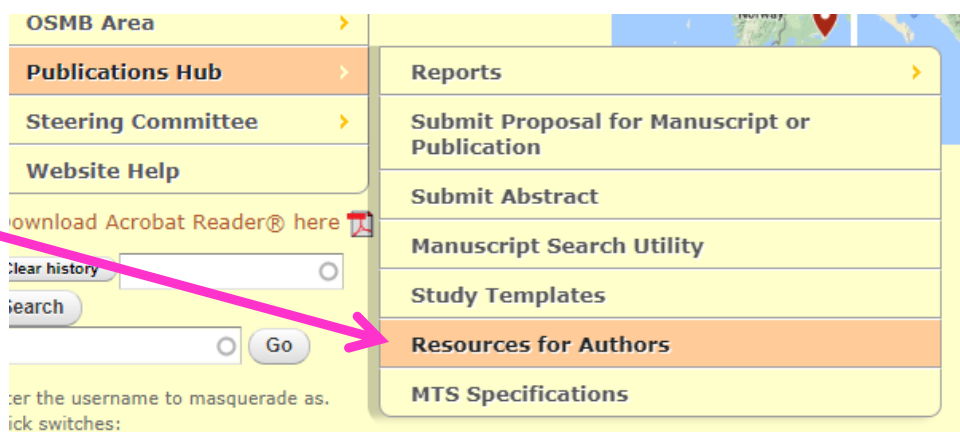

Step 1:

Go to
<https://sites.csc.unc.edu/hchs/>
and log in with username and
password

Step 2:

For all important Publications
related information hover
over “Publications Hub” and
click on “Resources for
Authors.”

Or click the link
<https://sites.csc.unc.edu/hchs/reports-authors-priv.>

Step 3:

Once on the Resources
for Authors page, scroll
down to the
“Publications” table.
Here you will find
multiple resources that
contain valuable
information for the
publication process.
